

Flott Women's Circle

UAE WOMEN'S ECONOMIC OPPORTUNITY MAPPING

Discovery Diagnostic

info@flottwomenscircle.com | 0556441087

Purpose

This mapping is to understand the current economic position, the opportunities being sought, and the practical gaps preventing access to practical work, internships, income, enterprise growth or markets. The information gathered will be used to identify where practical opportunities and support can be connected.

A. Basic Information

1. Full name

2. Age range

3. Nationality

4. Emirate of residence

5. Contact number / email

B. Current Economic Position

6. Which best describes your current situation? Select the option(s) that apply.

I am looking for an internship or practical work opportunity.

I have skills but I am not currently earning from them.

I would like to learn a practical skill that can generate income.

I want to start a business or income-generating activity.

I currently run a home-based or small business.

I currently run an established business and want to grow.

I am producing or selling products and need access to more customers or markets.

Other: _____

7. If you are currently working, running a business, producing something or offering a service, please describe what you do.

C. Skills, Practical Work and Income Opportunities

8. What skills, qualifications, work experience or practical abilities do you currently have?

9. If you are seeking practical work or an internship, what type of work or sector are you interested in?

10. Are you open to practical training or skills development that can lead to practical work or income? If yes, what areas interest you?

D. Enterprise and Production

11. If you want to start or already run a business, what product or service do you provide or want to provide?

12. What is currently stopping you from starting, earning more or growing?

13. Which of the following would practically help you move forward? Select all that apply.

- Internship / practical work experience
- Skills training
- Machinery, tools or production support
- Help turning a skill into an income-generating activity
- Business development support
- Access to customers / buyers
- Market access
- Distribution / export opportunities
- B2B / procurement opportunities
- Partnerships or business connections
- Technology or digital support
- Other: _____

E. Market and Growth Gaps

14. If you already have a business, what is the biggest challenge preventing it from growing?

15. Are you currently looking to sell to larger buyers, companies, institutions, distributors or markets outside your current customer base? Please explain.

16. What one opportunity, connection or form of practical support would make the biggest economic difference for you right now?

F. Follow-up

17. Would you be open to a short follow-up conversation so we can understand your situation and needs more clearly?

Yes No

Note: This is a discovery and opportunity-mapping exercise. It is not a guarantee of practical work, internships, funding, training, machinery, business support or any other opportunity.
